## BE PART OF THE SOLUTION

The Town of Wenham is looking for volunteers to serve on a “Citizens Water Advisory Committee”.

This Committee will develop water efficiency programs to recommend to the Board of Water Commissioners. They will also work on educating the public on water issues.

## BE PART OF THE SOLUTION

The commitment will be for one year with the opportunity to stay for another.

Anyone interested should call Bruce Blanchard, Wenham Water Superintendent, at (978)468-5531.

A kick-off meeting will be held at the Hamilton-Wenham Library on Wednesday, January 31, 2007 at 6pm.
